PHOTO RELEASE FORM

We love sharing beautiful moments that happen during classes and events held by Spark Studio, and often take photos and/or videos to document and promote our services. We understand that some people prefer their image, or their child's image, not be shared on social media or promotional materials. To avoid any complications that might arise, we ask for your permission, in advance, to use this type of imagery. If you are fine with our using your or your child's photos, please sign the permission release below, and either bring it with you on the first day of class or the event, or email it to hello@sparkstudiosf.com before the class or event begins.

If you are NOT ok with our using your or your child's imagery, please let us know beforehand so we can arrange seating accordingly and/or not include these photos in our social media and promotional materials.
